

Portrait

At maxon, we develop and build electric drive systems that are among the best in the world. We combine brushed and brushless DC motors, gearheads, sensors, and controllers into mechatronic drive systems. Worldwide, maxon has approximately 3206 employees at nine production sites and is represented by sales companies in more than 40 countries.

Facts and figures

Headquarters	maxon motor ag Brünigstrasse 220 6072 Sachseln (Switzerland)
Contact	Phone +41 41 666 15 00 info@maxongroup.com www.maxongroup.com
Holding	Interelectric AG, Sachseln
Type of company	Family stock corporation Dr. Karl-Walter Braun (Majority Shareholder)
Executive Board of the maxon Group	Eugen Elmiger, CEO Chief Executive Officer Dr. Stefan Müller, CTO Chief Technology Officer Norbert Bitzi, CFO Chief Financial Officer Dr. Martin Zimmermann, CSO Chief Sales Officer Andreas Richter, COO Chief Operations Officer Claudia Fässler (CHRO) Dr. Markus Rogalla (CQO) Guido Zumstein (CIO)
Turnover worldwide	CHF 626.5 Mio. consolidated (2021)
Fields of application	Medical technology, Industrial automation, Security technology, Measuring and testing technology, Communication, Automotive industry, Consumer applications, Aerospace

Milestones

1961	Establishment of Interelectric AG, Sachseln.
1963	Start of production of electroformed articles, especially cutting blades for the well known BRAUN electric razors.
1968-1969	Development of the maxon range of DC motors with ironless rotor. Patenting of the rhombic winding and its manufacture.
1997	Eleven maxon motors are implemented in the Mars Rover «Sojourner».
2004	The NASA Rovers «Spirit» and «Opportunity» land on Mars. Each of them driven by 35 maxon motors.
2007	Establishment of the medical business unit.
2012	maxon presents a world's first with X drives motors that are configurable online.
2015	maxon launches the MARS business unit (maxon advanced robotics & systems) for the development and production of mechatronical drive systems, including the maxon BIKEDRIVE.
2017	Swiss company zub machine control ag is integrated into the maxon Group.
2018	maxon continues its growth by acquiring the British drive motor manufacturer Parvalux Electric Motors Ltd.
2019	maxon opens its first US production site in Taunton.
